Acro - Using the Acrobatic Arts syllabus students learn the 5 elements of Acro Dance. Flexibility, Balance, Strength, Tumbling, Limbering and how to incorporate these skills into dance

Lyrical - A combination of Ballet and Jazz techniques inspiring emotional dance

Ballet - foundation ballet techniques using the ATOD syllabus perfect for the aspiring ballerina

Jazz - Fun, Uptempo moves and technique using the ATOD syllabus great for the high energy dancer

Pre-Pointe^ - as a compliment to ballet perfect for the aspiring ballerina focusing on strength and stability required for future pointe work

Tap - make music and rhythms with your feet using the ATOD syllabus.

Hiphop - urban style grooves that are heaps of fun and a little less technical. Using the ATOD and lil Groovers syllabus

Contemporary^ - This class is a compliment to ballet. It is an interpretive dance that combines various genres

Musical Theatre - Dance, acting, singing. Learn various techniques of them all in this class.

Aerial - as a great compliment to Acro, Aerial uses acro skills to dance in the air on Lyra (hoop) and Silks

Rec - Recreational classes are Open classes where students learn combos and techniques without the pressure of Exams

Class fees after Introductory Experience:

Individual Intermediate classes $16.00 per class - 45min class *30min class Annual registration fee $45.00 upon enrolment
